

Thank you for taking the time to consider sponsoring Car GSI in the Bash this year. As this is our second year we are working very hard to better our fundraising total from last year. Having sponsored this event in the past ourselves we thought a suggested list of amounts may help you. Please feel free to negotiate with us if you have something in mind as the car will be sign written and have some added advertising space available.

We look forward to hearing from you regarding this event and hope you are able to help us raise funds for the needy children of South Australia.
